

## On the Day pricing for Regional Events May 2021

From midday Wednesday May 5, Mother's Day Classic will introduce a regional location registration that enables those based well outside of metro areas to participate with their local community and help fund breast cancer research.

The offer is limited to regional locations only (see list) and does not include a race pack. Please note full registration with race packs will still be available on-line however delivery of race packs will take place after Mother's Day.

Mother's Day Classic Foundation greatly appreciate the impact that last year has had on the MDC community and hope that this regional event offer provides the opportunity for more members of your community to join in on the celebrations on Mother's Day

### How to register on the day

Head to [mothersdayclassic.com.au](https://mothersdayclassic.com.au) and press the "register now" button. There is also a QR code on the paper-based registration form for easy linking

Participants will be immediately directed to "book a Local location", that books them in and to ensure capacity is not exceeded.

For those who want to use a paper-based registration form, please ensure these are easily available for them to access at the check-in area. Note this is a cash only option.

## Hosts

It is the responsibility of the host to ensure all COVID Safe requirements still apply. At the end of the registration process, people who register OTD still need to book a spot at the end of the process.

Please make sure you have printed adequate registration forms for your event
