

HOW TO: Add a Facebook frame

DESKTOP

Get into the Mother's Day Classic spirit by adding one of our custom frames to your Facebook profile picture!

Here's how to set it up...

1. Go to www.facebook.com/profilepicframes
2. Search for Mother's Day Classic in the search bar and you will see two options pop up:
 - Get active for breast cancer research
 - Fundraise for breast cancer research
3. Choose your favourite frame and click 'use as profile photo'

MOBILE

Get into the Mother's Day Classic spirit by adding one of our custom frames to your Facebook profile picture!

Here's how to set it up...

1. Head to your profile on your Facebook mobile app
2. Click on your profile picture and an 'add frame' option will pop-up
3. Search for Mother's Day Classic in the search bar and you will see two options pop up:
 - a. Get active for breast cancer research
 - b. Fundraise for breast cancer research
4. Choose your favourite frame and click 'use as profile photo'
5. Click save
